Dear Neighbor:

On behalf of the Deacon Board of South Shores Church, I am sending you the enclosed press release announcing our agreement to further environmental review of our Church Master Plan.

We have mailed this to everyone who spoke at the Planning Commission hearing, and we are hopeful of meeting with the leadership from your community that has emerged in the last few weeks in order to more fully understand your concerns, and to work toward addressing those concerns.

We intend to maintain contact with you and keep you apprised of our progress. If you know of others that are interested in being on our mailing list, please have them leave their contact information with the Church receptionist at **949 496-9331** or at **www.southshores.org**.

Sincerely,

Dr. Tyler S. Guy
Senior Pastor
