Subject: Parking Committee, Permit No. 94-002

Dear Greg,

This is to advise that South Shores Church has established a Parking Committee. Their purpose will be to oversee the parking for the new sanctuary and address any potential parking congestion issues. They will strive to prevent parking impacts from occurring. This committee and its purpose will be permanent but its membership will change from time to time.

I believe this complies with and satisfies Condition 24 of Planning Commission Resolution 93-07-06-36.

Sincerely,

Vern Johnson  
Building Committee Chairman
